### Paris 10th: Weinberg Capital Partners signs a new acquisition for the WREP#3 fund

Paris, October 4, 2022

Weinberg Capital Partners has acquired, on behalf of its WREP#3 fund, the office building located at 70, rue de l'Aqueduc, in the 10th district of Paris, from a private owner. The building, which is completely vacant, has 3,500 m<sup>2</sup> of offices and will benefit a light renovation in order to obtain the latest environmental labels. It now presents functional trays as well as a 350 m<sup>2</sup> rooftop offering panoramic views of Paris.

This is the 8th building purchased in Paris by Weinberg Capital Partners' team in less than 24 months.

Jean-Philippe Olgiati, Partner, Managing Director of the WREP fund, declares: *"The acquisition of "70 Aqueduc" confirms our convictions as to the attractiveness of districts other than the historic Parisian CBD, particularly the 9th and 10th for office buildings offering a real quality of life in modern neighborhoods representing the rich diversity and creativity of our companies. It is time to adapt the definition of the historic Parisian CBD to the world of today's user and to their expectations: a Parisian building, renovated, offering the latest environmental labels, with panoramic views, services, rooftop, in a dynamic and eclectic neighborhood."*

In this transaction, Weinberg Capital Partners was advised by the notarial firm Thibierge Notaires, the law firm Racine (taxation and structuring) and Vertical Sea (technical audit). The operation was financed by Bred Banque Populaire, itself advised by the firm Allez & Associés.
